Hey-O!

LET'S READ THE BIBLE!

CHALLENGE EXPLAINED

Each week, the Bible story and verse reference are included beside that week's section. You will spend 5 days experiencing the Bible stories in **5 different ways**.

READ: Choose a Bible you will read from. Note: We recommend a storybook-type Bible for our early childhood friends and a full print Bible for our elementary students. Some kid-friendly translations to consider are the NIRV, NLT, or ICB. If your child can't read yet, sit and read with them!

WATCH: Watch the week's Bible story animation on YouTube.

LISTEN: Listen to the Hey-O Stories of the Bible podcast episode of the week's Bible story wherever you listen to podcasts.

DRAW OR WRITE: Spend some time thinking about the Bible story. Write or draw something you learned or liked about it.

SHARE: Who is someone you can share this story with? Consider sharing something you learned from days 1-4.

YOU DID IT! Celebrate a job well done with a bonus sticker!

Hey-O!

LET'S READ THE BIBLE!

KIDS BIBLE READING PLAN

HEY FRIENDS! Each day, spend about 5 minutes completing each challenge, reading and thinking about a story from the Bible. After you complete the challenge, put a check mark sticker on that square. Then, once you complete all 5 days, place the bonus sticker on the final spot of that week. See the back for more information. Have fun exploring God's word!
